

Engineers Available Double Column Band Saw Machine for Metal Cutting with Adjustable Cutting Speed and 5.5kw Motor Power

Our Product Introduction

for more products please visit us on luyoungcncmachines.com

Basic Information

- Place of Origin: Shandong, China
- Price: \$6,000.00/sets 1-1 sets

Product Specification

- Condition: New
- Machine Type: Band Saw Machine, GB4250 China Automatic Steel Band Saw Machine Double Column
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: New Product 2020
- Blade Speed (m/min): 27,45,69m/min
- Saw Blade Tension Method: Hydraulic
- Warranty Of Core Components: 1 Year
- Core Components: Gearbox, Pressure Vessel, Pump, Gear, Bearing, Engine, Motor, PLC
- Showroom Location: None
- Warranty: 1 Year
- Weight (KG): 800

Product Description

Double Column Automatic Band Saw Machine for Metal Cutting

Product Overview

Professional-grade GB4250 double column band saw machine featuring 5.5kw motor power, hydraulic blade tension, and adjustable cutting speeds (27/45/69 m/min). Designed for manufacturing plants requiring precision metal cutting with maximum stability.

Key Specifications

Machine Type	GB4250 Automatic Double Column Band Saw
Blade Speed	27, 45, 69 m/min (adjustable)
Motor Power	5.5 kW
Sawing Range	300mm
Blade Size	3050×34×1.1mm
Weight	800 kg
Warranty	1 Year

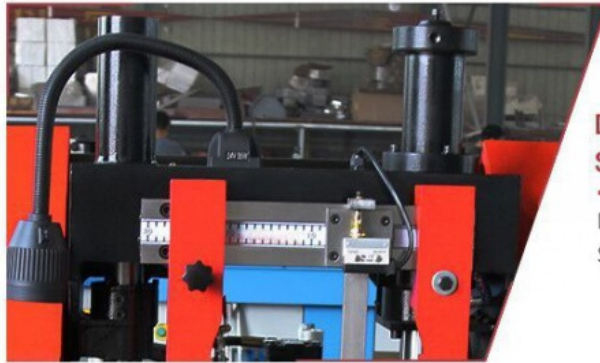

Technical Advantages

- Double column structure with vertical lifting for enhanced stability
- Hydraulic control with stepless speed regulation

- Hydraulic workpiece clamping system
- Custom three-way hydraulic tightening device
- Saw blade break detection with automatic emergency shutdown
- Compact design with high production efficiency

Machine details

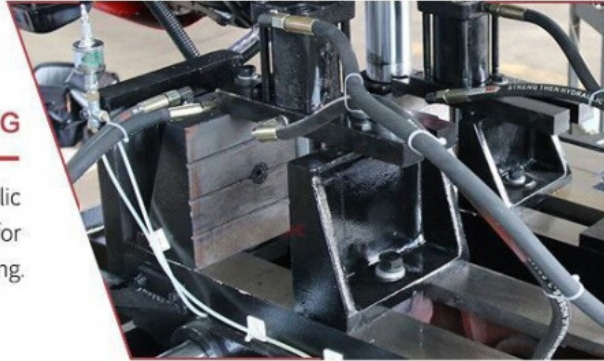

DOUBLE COLUMN STRUCTURE

Double column structure,
Stable cutting .

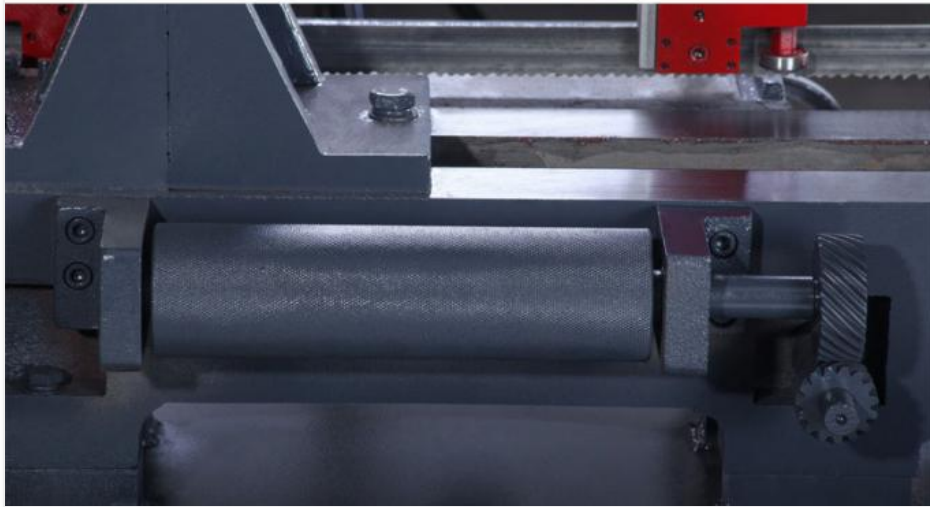

HYDRAULIC CLAMPING

Standard with hydraulic
clamping device for
accurate cutting.

AUTOMATIC FEEDER

Standard with 1 meter length
automatic feeder; Controlled
by PLC ; High efficiency.

Model Comparison

Specification	GB4240	GB4250
Max. Cutting Capacity	400×400mm	500×500mm
Saw Blade Size	5000×41×1.3mm	5800×41×1.3mm
Motor Power	4 kW	5.5 kW

Machine Dimensions	2380×1350×1950mm	2500×1550×2200mm
Weight	1400 kg	1600 kg

Service & Support

- 1-year warranty with free replacement of damaged parts
- 24/7 online technical support
- Free training options (online or factory-based)
- Engineers available for overseas service and commissioning

Packaging & Shipping

- Seaworthy plywood packaging (non-fumigation)
- Reinforced steel base plate (3-5× standard strength)
- Water-resistant film wrapping
- Fully sheathed case for collision protection

Frequently Asked Questions

Can the GB4250 band saw machine be customized?

Yes, we offer custom design and production to meet specific requirements when standard configurations don't suit your needs.

What is included in the warranty?

The 1-year warranty covers free replacement of damaged parts and includes training options for proper machine operation.

How can I get a quote?

Provide your required model or send workpiece drawings, and we'll recommend suitable products with a detailed quote within 24 hours.
