

2.2kw Double Column Metal Cutting Band Saw Machine CNC with Double Column Design for Increased Durability and Strength

Our Product Introduction

for more products please visit us on luyoungcncmachines.com

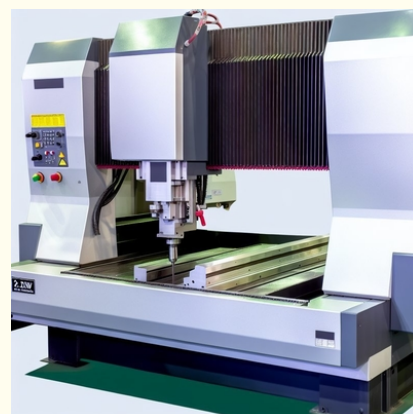

Basic Information

- Place of Origin: Shandong, China
- Price: \$8,600.00/sets >=1 sets
- Packaging Details:
 - 1.Non-fumigation packaging, we use seaworthy plywood.
 2. Steel base plate, it is stronger 3-5 times than normal plywood base plate.
 - 3.Water-proof and damp proof, water resistant film wrapped all the machine.
 - 4.Fully sheathed case,prevention of c
- Supply Ability: 80 Set/Sets per Month

Product Specification

- Condition: New
- Machine Type: Band Saw Machine, GB4260 China Factory Price Double Column Metal Band Saw Machine
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Newest Product
- Saw Blade Tension Method:Hydraulic
- Warranty Of Core Components: 1 Year
- Core Components: Gearbox, Pressure Vessel, Pump, Gear, Bearing, Engine, Motor, PLC
- Showroom Location: None
- Warranty: 1 Year
- Weight (KG): 800
- Applicable Industries: Manufacturing Plant

Product Description

2.2kw Double Column Metal Cutting Band Saw Machine CNC

Key Specifications

Attribute	Value
Condition	New
Machine Type	Band Saw Machine
Motor Power	2.2kw
Sawing Range	600mm
Saw Blade Size	6640*54*1.6
Saw Blade Speed	27,45,69m/min
Main Motor	5.5kw
Package Size	3130*1600*2300
Weight	800 KG
Warranty	1 Year

Product Features

Hydraulic control of cutting speed with stepless adjustment

Scientific guide block structure prolongs saw blade life

Double column structure ensures stable operation

Precision sawing with high accuracy

Hydraulic work clamping for easy operation

Customizable three-way hydraulic clamping device

Technical Specifications

Specification	Value
Max Cutting	600 600W×600H
Saw Blade Speed	20-80m/min (frequency control)
Saw Blade Size	6640×54×1.6mm
Main Motor	5.5kw
Working Clamping	Hydraulic vise
Transmission	Worm gear transmission
Dimensions	3130×1600×2300mm

Applications

This metal band sawing machine is suitable for cutting various materials including:

- Carbon structural steel
- Low alloy steel
- High alloy steel
- Special alloy steel
- Stainless steel
- Acid-resistant steel

Our Service

- 24-hour online support via email, phone, WeChat, WhatsApp, Skype
- 1-year warranty with free replacement parts
- Lifetime free technical support
- Overseas service available (engineers can visit your factory)
- Professional solutions and immediate response

Frequently Asked Questions

Can the machine be customized?

Yes, we can redesign and produce the machine to meet your specific requirements if our standard configuration doesn't suit your needs.

What is the warranty period?

The warranty period is one year. We provide free replacement parts for any damage during normal use within this period.

How can I get a quote?

Please provide the model you need or send us drawings of your workpiece. We will recommend suitable products and provide a quote within 24 hours.

Contact Information

Mobile/WhatsApp: +86 18660853235
QQ: 3494630853
We work online 24 hours a day for quotes and technical support.
