

## GB4250 Automatic Steel Band Saw Machine Double Column Metal Band Sawsing Machine for High Production Efficiency

Our Product Introduction

### Basic Information

- Place of Origin: Shandong, China
- Brand Name: Luyoung
- Certification: CE
- Model Number: DD703
- Minimum Order Quantity: 1
- Price: \$6,000.00/sets 1-1 sets
- Packaging Details:
  - 1.Non-fumigation packaging, we use seaworthy plywood.
  2. Steel base plate, it is stronger 3-5 times than normal plywood base plate.
  - 3.Water-proof and damp proof, water resistant film wrapped all the machine.
  - 4.Fully sheathed case,prevention of c
- Delivery Time: 45 working days
- Payment Terms: L/C,T/T
- Supply Ability: 80 Set/Sets per Month

### Product Specification

- Belt Saw Blade Size: 3050\*34\*1.1mm
- Condition: New
- Product Category: Metal Band Sawsing Machine
- Oil Pump Motor: 0.42kw
- CNC Or Not: CNC
- Product Name: Double Column Automatic Steel Cutting Band Saw Machine 5.5kw Motor Power
- Sawing Range: 300mm
- Key Selling Points: Competitive Price
- Highlight: Automatic Steel Band Saw Machine, Double Column Band Saw Machine

## Product Description

### GB4250 Automatic Steel Band Saw Machine

Double Column Metal Band Sawing Machine designed for high production efficiency with precision cutting capabilities for various metal materials.

#### Key Specifications

##### Belt Saw Blade Size

3050×34×1.1mm

##### Motor Power

5.5kW

##### Sawing Range

300mm

##### Blade Speed

27/45/69 m/min

##### Operation Type

CNC Automatic

##### Warranty

1 Year (Core Components)

#### Product Features

- Double column design for enhanced stability and precision
- Hydraulic saw blade tension system for optimal performance
- Three adjustable speed settings (27/45/69 m/min)
- 0.42kW oil pump motor for efficient lubrication
- Automatic operation with CNC control
- Robust construction for heavy-duty metal cutting

#### Technical Parameters

Main Motor Power	2.2kW
Oil Pump Motor	0.42kW
Automatic Grade	Automatic
CNC Control	Yes
Condition	New
Applicable Industries	Manufacturing Plant

#### Industrial Applications

This high-performance band saw machine is ideal for:

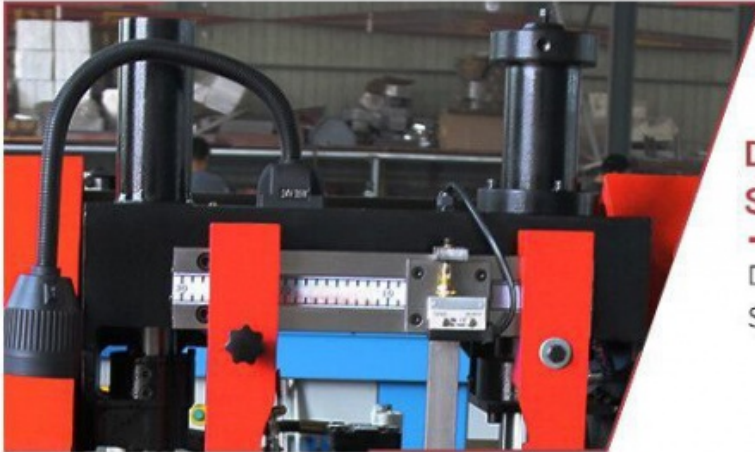

- Metal fabrication workshops
- Manufacturing production lines
- Construction material processing
- Equipment maintenance and repair
- Industrial metal component production

### Product Images

## Machine details

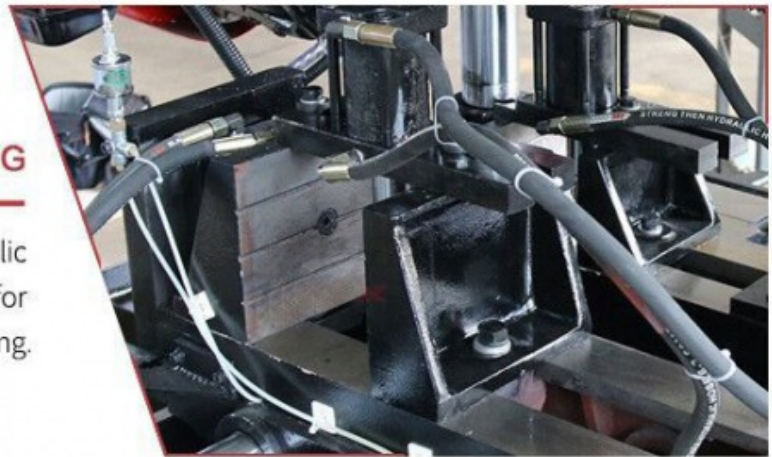

### DOUBLE COLUMN STRUCTURE

Double column structure,  
Stable cutting .

### HYDRAULIC CLAMPING

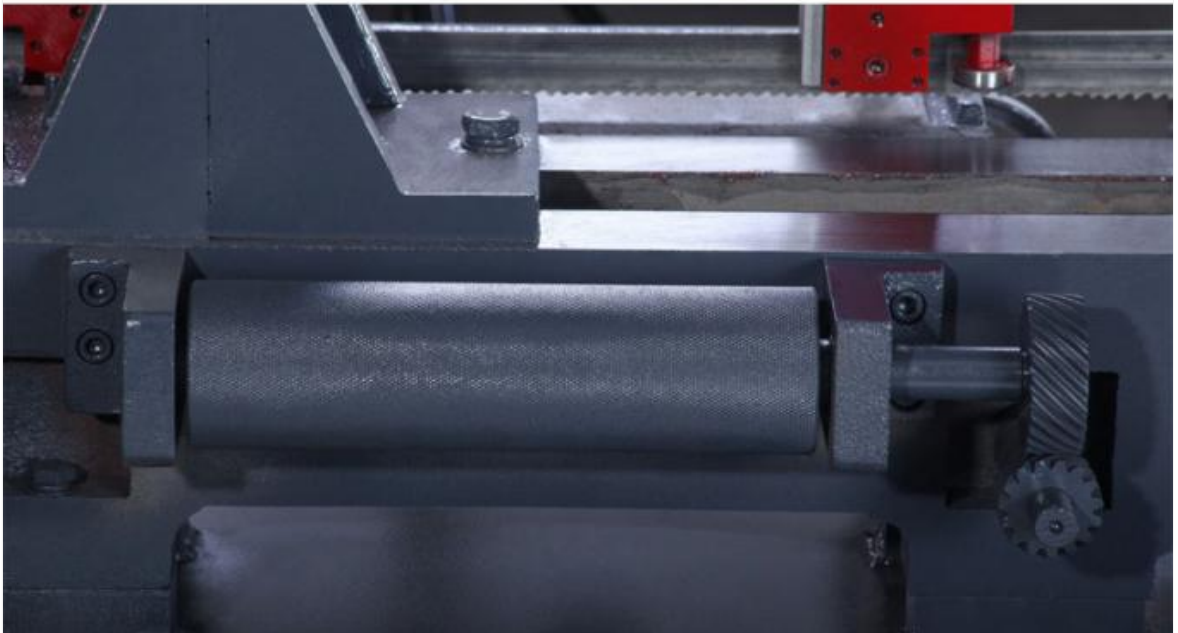

Standard with hydraulic  
clamping device for  
accurate cutting.

### AUTOMATIC FEEDER

Standard with 1 meter length  
automatic feeder; Controlled  
by PLC ; High efficiency.

### Support & Services

Comprehensive technical support including troubleshooting, operation guidance, and maintenance assistance to ensure optimal machine performance.

### Packaging & Shipping

The machine is securely packaged in reinforced cardboard with foam padding and protective strapping. Standard delivery time is 45 working days with tracking provided.

### Frequently Asked Questions

#### What is the brand and model of this machine?

Luyoung DD703 manufactured in Shandong, China.

#### What are the payment terms?

Accepted payment methods: L/C and T/T with minimum order quantity of 1 set.

#### Is the machine certified?

Yes, the machine is CE certified meeting quality and safety standards.
