

Heavy-Duty Industrial Applications 300mm Sawing Range Metal Band Sawing Machine with 45m/min Blade Speed

Our Product Introduction

Basic Information

- Place of Origin: Shandong, China
- Brand Name: Luyoung
- Certification: CE
- Model Number: DD703
- Minimum Order Quantity: 1
- Price: \$6,000.00/sets 1-1 sets
- Packaging Details:
 - 1.Non-fumigation packaging, we use seaworthy plywood.
 2. Steel base plate, it is stronger 3-5 times than normal plywood base plate.
 - 3.Water-proof and damp proof, water resistant film wrapped all the machine.
 - 4.Fully sheathed case,prevention of c
- Delivery Time: 45 working days
- Payment Terms: L/C, T/T
- Supply Ability: 80 Set/Sets per Month

Product Specification

- Main Motor: 2.2kw
- Applicable Industries: Manufacturing Plant
- CNC Or Not: CNC
- Product Name: Double Column Automatic Steel Cutting Band Saw Machine 5.5kw Motor Power
- Automatic Grade: Automatic
- Sawing Range: 300mm
- Blade Speed (m/min): 27,45,69m/min
- Belt Saw Blade Size: 3050*34*1.1mm
- Highlight: 45m/min Metal Band Sawing Machine, 300mm Metal Band Sawing Machine, Metal Band Sawing Machine

Product Description

Heavy-Duty Industrial Applications 300mm Sawing Range Metal Band Sawing Machine with 45m/min Blade Speed

Attribute	Value
Main Motor	2.2kw
Applicable Industries	Manufacturing Plant
CNC Or Not	CNC
Product Name	Double Column Automatic Steel Cutting Band Saw Machine 5.5kw Motor Power
Automatic Grade	Automatic
Sawing Range	300mm
Blade Speed (m/min)	27,45,69m/min
Belt Saw Blade Size	3050*34*1.1mm

Product Overview

A Metal Band Sawing Machine is a vital tool for any manufacturing plant looking to efficiently cut metal materials with precision and speed. This particular Metal Band Sawing Machine boasts a powerful main motor of 2.2kw, ensuring reliable performance for various cutting tasks. Whether you are working with steel, aluminum, or other metal materials, this machine is designed to meet your cutting needs with ease.

As a brand new machine, this Metal Band Sawing Machine is in pristine condition, ready to be put to work in your manufacturing plant. The competitive price point of this machine makes it an attractive investment for businesses looking to enhance their metal cutting capabilities without breaking the bank.

Key Features

- Metal Band Sawing Machine
- Main Motor: 2.2kw
- Machine Type: Band Saw Machine, GB4250 China Automatic Steel Band Saw Machine Double Column
- Applicable Industries: Manufacturing Plant
- CNC Or Not: CNC
- Key Selling Points: Competitive Price

Technical Specifications

Saw Blade Tension Method	Hydraulic
Blade Speed (m/min)	27, 45, 69
Motor Power (kw)	5.5
Main Motor	2.2kw
Sawing Range	300mm
Weight (KG)	800
Oil Pump Motor	0.42kw

Applications

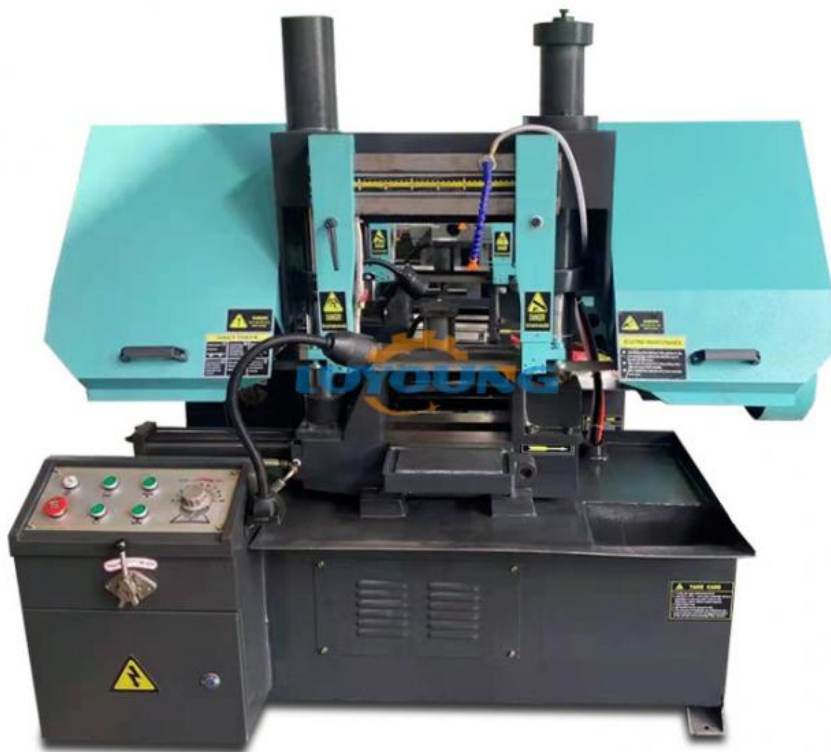

The Metal Band Sawing Machine by Luyoung, model number DD703, is a versatile and essential tool for a variety of metal cutting applications. With its place of origin in Shandong, China, this machine offers high-quality performance and durability.

- Manufacturing Plant: Ideal for cutting metal components with precision and efficiency
- Metal Fabrication Workshops: Perfect for creating custom metal parts and structures
- Construction Sites: Suitable for cutting metal beams, pipes, and other materials
- Maintenance and Repair Shops: Essential for cutting and shaping metal parts for various equipment

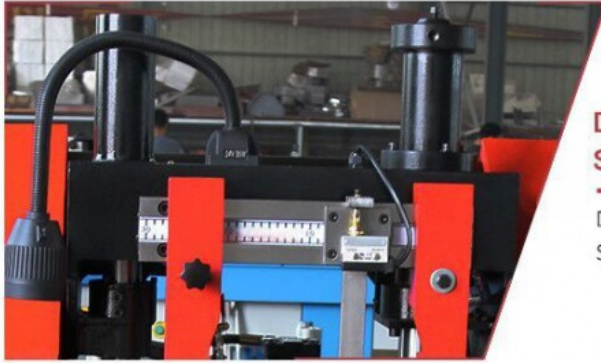

Support and Services

- Installation guidance and setup assistance
- Troubleshooting and maintenance support
- Training sessions for operators and maintenance staff
- Regular software updates and firmware upgrades
- Warranty coverage and repair services

Machine details

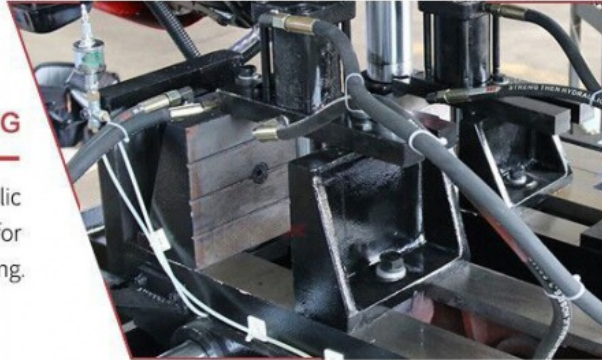

DOUBLE COLUMN STRUCTURE

Double column structure,
Stable cutting .

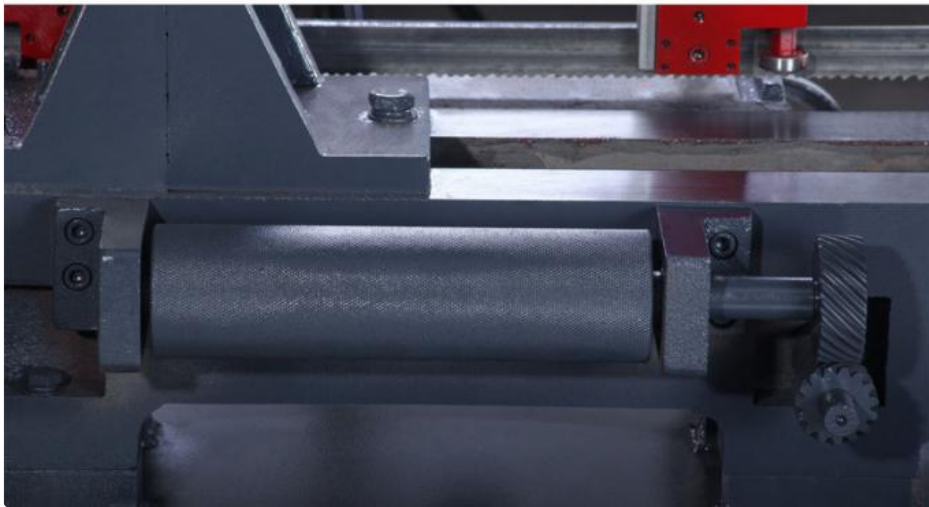

HYDRAULIC CLAMPING

Standard with hydraulic
clamping device for
accurate cutting.

AUTOMATIC FEEDER

Standard with 1 meter length
automatic feeder; Controlled
by PLC ; High efficiency.

Frequently Asked Questions

Q: What is the brand name of the Metal Band Sawing Machine?

A: The brand name of the Metal Band Sawing Machine is Luyoung.

Q: What is the model number of the Metal Band Sawing Machine?

A: The model number of the Metal Band Sawing Machine is DD703.

Q: Where is the Metal Band Sawing Machine manufactured?

A: The Metal Band Sawing Machine is manufactured in Shandong, China.

Q: What are the accepted payment terms for purchasing the Metal Band Sawing Machine?

A: The accepted payment terms for purchasing the Metal Band Sawing Machine are L/C and T/T.

Q: What is the supply ability of the Metal Band Sawing Machine?

A: The supply ability of the Metal Band Sawing Machine is 80 Set/Sets per month.
