

0.42kw Oil Pump Motor Metal Band Sawing Machine for CNC Cutting Versatile and Industrial Grade Cutting Solution

Our Product Introduction

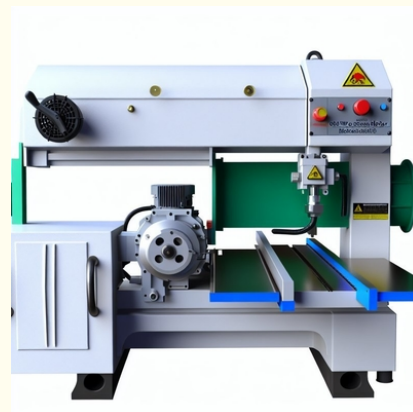

Basic Information

- Place of Origin: Shandong, China
- Brand Name: Luyoung
- Certification: CE
- Model Number: DD703
- Minimum Order Quantity: 1
- Price: \$6,000.00/sets 1-1 sets
- Packaging Details:
 - 1.Non-fumigation packaging, we use seaworthy plywood.
 2. Steel base plate, it is stronger 3-5 times than normal plywood base plate.
 - 3.Water-proof and damp proof, water resistant film wrapped all the machine.
 - 4.Fully sheathed case,prevention of c
- Delivery Time: 45 working days
- Payment Terms: L/C, T/T
- Supply Ability: 80 Set/Sets per Month

Product Specification

- Warranty Of Core Components: 1 Year
- Sawing Range: 300mm
- Condition: New
- Product Category: Metal Band Sawing Machine
- Machine Type: Band Saw Machine, GB4250 China Automatic Steel Band Saw Machine Double Column
- Oil Pump Motor: 0.42kw
- Automatic Grade: Automatic
- Motor Power (kw): 5.5
- Highlight: **CNC Metal Band Sawing Machine, 0.42kw Metal Band Sawing Machine**

Product Description

0.42kw Oil Pump Motor Metal Band Sawing Machine for CNC Cutting

Versatile and Industrial Grade Cutting Solution

Product Attributes

Attribute	Value
Warranty Of Core Components	1 Year
Sawing Range	300mm
Condition	New
Product Category	Metal Band Sawing Machine
Machine Type	Band Saw Machine, GB4250 China Automatic Steel Band Saw Machine Double Column
Oil Pump Motor	0.42kw
Automatic Grade	Automatic
Motor Power (kw)	5.5

Product Description

The Metal Band Sawing Machine is a versatile and reliable piece of equipment designed for cutting various metal materials with precision and efficiency. With its powerful motor and advanced features, this machine is ideal for use in manufacturing plants and industries that require high-quality cutting solutions.

- **Oil Pump Motor:** 0.42kw
- **Motor Power (kw):** 5.5
- **Applicable Industries:** Manufacturing Plant
- **Warranty Of Core Components:** 1 Year
- **Saw Blade Tension Method:** Hydraulic

The Metal Band Sawing Machine is equipped with a powerful 5.5kw motor that provides the necessary strength and speed to cut through various types of metal with ease. The oil pump motor of 0.42kw ensures smooth operation and efficient cooling of the machine during cutting tasks.

Designed for the manufacturing plant environment, this Metal Band Sawing Machine offers exceptional performance and durability. Its sturdy construction and reliable components make it a valuable asset for any metalworking operation. One of the standout features of this machine is its hydraulic saw blade tension method. This innovative technology allows for quick and easy adjustments to the blade tension, ensuring precise cutting results and reducing downtime. With a warranty of 1 year on core components, you can have peace of mind knowing that your investment is protected. The Metal Band Sawing Machine is built to last and is backed by reliable customer support to ensure your satisfaction. Whether you are cutting steel, aluminum, or other metal materials, the Metal Band Sawing Machine delivers consistent and accurate results every time. Its intuitive controls and user-friendly design make it easy to operate, even for

beginners.

Experience the power and precision of the Metal Band Sawing Machine for your metal cutting needs. Upgrade your manufacturing plant with this efficient and robust equipment that is designed to enhance productivity and quality.

Features

- Metal Band Sawing Machine: Double Column Automatic Steel Cutting Band Saw Machine 5.5kw Motor Power
- Saw Blade Tension Method: Hydraulic
- Main Motor: 2.2kw
- Condition: New
- Sawing Range: 300mm

Technical Parameters

Parameter	Value
Machine Type	Band Saw Machine, GB4250 China Automatic Steel Band Saw Machine Double Column
Blade Speed (m/min)	27,45,69m/min
Condition	New
Product Name	Double Column Automatic Steel Cutting Band Saw Machine 5.5kw Motor Power
Main Motor	2.2kw
Oil Pump Motor	0.42kw
Saw Blade Tension Method	Hydraulic
Sawing Range	300mm
CNC Or Not	CNC
Automatic Grade	Automatic

Applications

The Metal Band Sawing Machine, branded as Luyoung DD703, is a high-quality cutting equipment originating from Shandong, China. This machine is designed for precision cutting of various metal materials with a 5.5kw motor power, making it suitable for a wide range of industrial applications.

With a minimum order quantity of 1 and a price of \$6,000.00 per set for 1-1 sets, the Luyoung Metal Band Sawing Machine offers great value for its capabilities. The payment terms accepted for this product include L/C and T/T, providing flexibility for customers.

Thanks to a supply ability of 80 sets per month and a delivery time of 45 working days, customers can rely on timely access to this efficient cutting solution. The machine is also CE certified, ensuring compliance with quality and safety standards.

The Double Column Automatic Steel Cutting Band Saw Machine is CNC operated and falls under the category of Metal Band Sawing Machines. Its automatic grade further enhances its usability, making it ideal for various cutting scenarios. Whether in a manufacturing facility, metalworking shop, or fabrication workshop, the Luyoung Metal Band Sawing Machine excels in cutting metal materials accurately and efficiently. Its double column design and powerful motor enable precise cuts, contributing to enhanced productivity and quality of output.

With packaging details that prioritize protection during transit, including non-fumigation, water-proof and damp proof features, the machine arrives in optimal condition. The robust steel base plate ensures durability, making it a reliable long-term investment for businesses.

In conclusion, the Luyoung Metal Band Sawing Machine is a versatile and reliable cutting solution suitable for a variety of industrial applications. Its CNC capabilities, automatic grade, and sturdy design make it a valuable asset for metalworking professionals seeking efficiency and precision in their operations.

Support and Services

Our Product Technical Support and Services for the Metal Band Sawing Machine include:

- Installation guidance and setup assistance
- Troubleshooting support for any technical issues
- Maintenance tips and recommendations to ensure optimal performance
- Training resources for operating the machine efficiently
- Warranty coverage and repair services

Packing and Shipping

Product Packaging:

The Metal Band Sawing Machine is carefully packaged to ensure safe delivery. It is securely wrapped in protective materials to prevent any damage during transit. The package includes all necessary components and assembly instructions.

Shipping Information:

We offer fast and reliable shipping for the Metal Band Sawing Machine. Once your order is processed, the item will be dispatched within 1-2 business days. You will receive a tracking number to monitor the delivery status of your package. Our shipping services are efficient and ensure that your product arrives in a timely manner.

Frequently Asked Questions

Q: What is the brand name of this Metal Band Sawing Machine?

A: The brand name of this Metal Band Sawing Machine is Luyoung.

Q: Where is the Metal Band Sawing Machine manufactured?

A: The Metal Band Sawing Machine is manufactured in Shandong, China.

Q: What are the accepted payment terms for purchasing this Metal Band Sawing Machine?

A: The accepted payment terms for purchasing this Metal Band Sawing Machine are L/C and T/T.

Q: What is the supply ability of this Metal Band Sawing Machine?

A: The supply ability of this Metal Band Sawing Machine is 80 Set/Sets per month.

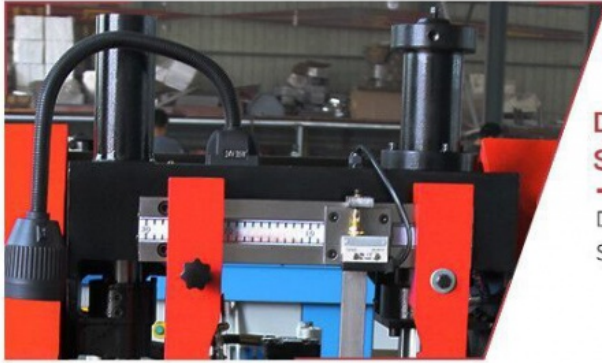

Q: What is the price of this Metal Band Sawing Machine for orders of 1-1 sets?

A: The price of this Metal Band Sawing Machine for orders of 1-1 sets is \$6,000.00 per set.
